Reader's Opinions

What makes you a great intellectual is not a dedicated, hard-working life. It also takes and perhaps should take a lot of personal misery. This is the book that is a very honest account of these miseries. Miseries and the struggle to make a life from them.

Althusser became one of the most respected and interesting philosophers of Marxism in France during the 1950's and 60's, which is no small accomplishment considering the fact that practically every intellectual was writing about...
