

DRAGONS OF A LOST STAR

As the War of Souls continues, the shield over the elven kingdom of Silvanesti falls. Mina leads her forces triumphantly into that conquered nation, only to face danger from friends and foes alike. Meanwhile, Goldmoon follows the river of the dead, which threatens to engulf them all. Dragons of a Lost Star expands on the War of Souls saga and forms the point around which subsequent novels will revolve.

Peek Inside the Book

Words can never fully say what we want them to say, for they fumble, stammer, and break the best porcelain. The best one can hope for is to find along the way someone to share the path, content to walk in...

Reader's Opinions

Finally, a good second installment by Margaret Weis. Instead of simply providing filler for her storyline, she turns and focuses on another group entirely. This kept my interest much better than some of her other #2's.

was a bit disappointed on reading this book as I thought it would continue where the previous book in this particular trilogy left off but this was a set of short stories about dragons! some I must admit I really enjoyed especially closer to the end of the book but am hoping the...
