

# DOMAIN

For 32 years, archaeologist Julius Gabriel has investigated the Mayan calendar, a 2500-year-old enigma that predicts the end of humanity. Julius believes the sites of the ancients, placed all around the globe, represent ancient pieces of a puzzle linked to the salvation of our species. Miami, September 2012: Psychology Dominique Vazquez is assigned a...

## Peek Inside the Book

None of us have any control over the deck or the hand we've been dealt. What we do have is total responsibility as to how we play the hand. Steve Alten,...

For the starship's inhabitants, time now stands still. For planet Earth, the clock has begun ticking... Steve Alten, Domain

## Reader's Opinions

Libro all'inizio un po' duro da digerire, non coinvolge subito nella lettura e in alcuni tratti presenta un linguaggio molto tecnico, talvolta del tutto incomprensibile per chi non sappia già di che cosa si sta parlando. Oggetto del libro - come suggerisce il titolo stesso - la fine del mondo, prevista secondo il calendario Maya per...

I read about half this book out of a sort of obligation. Steve Alten wrote a hacky, but generally well-paced and tolerably readable book about a giant shark. Nothing award winning, but it would keep you amused on a long...
