

MARTIAL LAW BABIES

Award-winning graphic novelist Arnold Arre takes us on a nostalgic trip through some of the Philippines' most colorful and compelling eras - from the rigidness of pre-EDSA Manila to the dizzying, commercially-intoxicated world of the new millenium. Allan and his friends are Martial Law Babies: born during the Marcos regime, raised by TV, and shaped by 80s music. Their ambitions may be dampened by third world realities and malcontention but they also proudly belong to a generation of dreamers who...

Reader's Opinions

A graphic novel, written by a Filipino, which begins with the protagonists (classmates and friends) as children during the time of the Marcos martial law regime, onwards to their adolescent years and young adulthood. A friend, about my age (she was about 12 when martial law was declared) briefly lent me this book as she said she had...
