Reader's Opinions

This is a tremendous book that I like to read on occasion to remind me of the daily instances I have appointed to me to minister to other people I meet throughout the day. This is a must read for every Christian who wants to impact their world with the Gospel!

This was an excellent book about how God constantly gives us opportunities to love people and share Christ with them...sometimes just in the way we treat them and help care for their needs and at other times by actually sharing the Gospel with them. We are so insensitive..often not seeing the opportunities..the "Divine Appointments"...
