## Peek Inside the Book

Life is made up of special moments, moments of joy, or of sorrow, of great good fortune, incredible thoughtfulness, moments you never forget, and that impact an entire lifetime, moments you treasure. May all your special moments be precious, happy ones, change your life in fortunate ways, and turn out to be great blessings. May...

## Reader's Opinions

Enjoyed this Danielle Steel book. It was a little different than what I expected. But like the others there is a love story.

Was surprised that this wasn't "typical" Danielle Steel - not all about lifestyles of the rich and famous! Touched on a very sensitive topic, but done well. Big surprises near the end really created a tear-jerker for me! 6 out of 10.
