Reader's Opinions

Loved this book! Exciting read, a page turner! My only pet peeve is I am not into the volumes 1,2,3,4,5, etc. These type of books always make me feel "ganked". I am an avid reader, have been since age 6 and am used to writers being able to tell a full complete satisfying story in one novel! This book is one of those "to be continued"...

Whoa!!!! This book started off kind of slow but grabbed my attention fast!!! It gives the true meaning of keep your enemies close and your friends even closer!!!
