

THE NEW VICHY SYNDROME: WHY EUROPEAN INTELLECTUALS SURRENDER TO BARBARISM

Western Europe is in a strangely neurotic condition of being smug and terrified at the same time. On the one hand, Europeans believe they have at last created an ideal social and political system in which man can live comfortably. In many ways, things have never been better on the old continent. On the other hand, there is growing anxiety that Europe is quickly falling behind in an aggressive, globalized world. Europe is at the forefront of nothing, its demographics...

Reader's Opinions

Theodore Dalrymple (Anthony Daniel's nom de plume), applies his considerable erudition and wit to the decline of Western Civilization yet again, this time looking at continental Europe and specifically looking at the European Union as an institution. The title is misleading since the subject of the title is tangential to the book as...
