

EVERYBODY'S GOT SOMETHING

"Regardless of how much money you have, your race, where you live, what religion you follow, you are going through something. Or you already have or you will. As momma always said, "Everybody's got something." So begins beloved Good Morning America anchor Robin Roberts's new memoir in which she recounts the incredible journey that's been her life so far, and the lessons she's learned along the way. With grace, heart, and humor, she writes about overcoming breast cancer only to learn five years later that...

Peek Inside the Book

That first doctors visit was a chilling introduction to the world of bone marrow transplants. This particular doctor was all doom and gloom. She spent so much time telling me about the high mortality rate of having a bone marrow transplant that I half-expected her to end the appointment by handing me...

I am not going to apologize for the idyllic childhood and the wonderful siblings and the Christian home I grew up in. I know how blessed I am and I am thankful, but I also know it's not that...

Reader's Opinions

Fans of Robin Roberts, Cancer Survivors or People with Health Issues.

Robin Roberts outdid herself on this book. This was such an inspirational and inspiring story of the trials and tribulations that Robin has gone through over the last few years. The one constant that I took away from the book was the gratitude and appreciation she has/had for her family and especially her parents.
