

# THE IMMORTALITY VIRUS

In the mid-21st century, the human race stopped aging. Those who know why aren't talking, and the few who are brave enough to ask questions tend to disappear. To an elite few, The Change means long life and health, but to the increasing masses, it means starvation, desperation, and violence. Four centuries after The Change, Grace Harper, a blacklisted P.I., sets off on a mission to find the man responsible for it all and solicit his help to undo The Change - if...

## Peek Inside the Book

It helps if you dont think of them as human. More than one officer has called this job pest control. Christine Amsden, The Immortality Virus

## Reader's Opinions

31/2 stars I read this in two days and felt it was a good book. I could visualize the depressing world the Earth had become, lack of resources and greed had taken...
