Peek Inside the Book

To know how to avoid the cliché, to know what tradition you are pushing forward, begins with knowing what that tradition is. Blake Snyder, Save the Cat!: The Last Book on Screenwriting You'll Ever Need

Reader's Opinions

I'm not a screenwriter, I'm a novelist, and I tell you, this book has shed some light on so many things that I was aware of, but most times fobbed off. Everybody has their own process and there is never just one right way to plot a story, but this made me realize how much easier life would be if I followed a few hard plotting rules....

loved this book! it's written the way i like books to be written - very structured. your journey as a screenwriter begins with the idea and then the author takes you thru the whole process, explaining every step and its meaning. i read this book looking for storytelling tips, and i must say - it delivered. it really does teach you how...
