Peek Inside the Book

Underground, the stars are legend. Catherine Fisher, Incarceron

Reader's Opinions

Wow this book is one hell of a ride. Non stop intensity, suspense, and action. Frankly, not only is it a great book it would be an awesome movie. This craziness made for a great twisted plot but did leave a bit to be desired when it came to characterization....

I really like the idea of a sentient prison. The mystery of Claudia and her relationship with her father is something my mind worked on through the entire book. Claudia's tutor was my favorite character.
